

TOWN OF KINGSBURY

A GUIDE TO DOG OWNER RESPONSIBILITIES AND WAYS TO PROTECT YOUR POCKETBOOK

DANGEROUS DOGS: Effective September 1, 1998, the Law defines a “dangerous dog” as meaning – any dog which.

- a) without justification attacks a person and causes physical injury or death or
- b) poses a serious and unjustified imminent threat of harm to one or more persons.

Should you encounter such a dog, please contact the Dog Control Officer. The Law states that any person may make a complaint to the Dog Control Officer of a dog attack upon a person or animal. Upon receiving such a complaint of a dangerous dog and/or if there is reason to believe the dog is a dangerous dog, the DCO is required to commence such a complaint himself. These proceedings are heard in Town Justice Court.

RABIES: If you encounter a possible rabid animal, contact Washington County Public Health Nurse at 746-2400 to obtain instructions on handling the animal. For Nuisance wildlife assistance, you may contact any licensed nuisance wildlife specialist found in the yellow pages or internet search page. They will remove the animal at your expense.

Note: Washington County Public Health conducts rabies clinics throughout the year. These are provided free of charge (donations accepted) and schedules can be obtained from the Town Hall, Washington County Public Health Office, Washington County website and/or the DCO or WCPH Facebook pages.

We hope this pamphlet will be some assistance to you and your pet. Remember if you love your dog license him or her.

This booklet was prepared by the DCO with help from the Town Clerks Office.

Note: The DCO does have a dog awareness/interaction class for the 6-9 age groups. The class takes an hour and has a short DVD and interactive activity book. Contact the DCO to find out more information or to set up a class for your youth group.

CONGRATULATIONS! You are now responsible for a canine. The Town of Kingsbury has enacted certain regulations that all dog owners should be made aware of. We hope this pamphlet is of some assistance to you.

LICENSING: All dogs residing in New York State **must** be licensed. Licenses are issued at the Town Clerk's Office and **must be** renewed annually. On October 1, 1992, Washington County was declared a rabies county. We still have confirmed rabies cases each year. Therefore, all dog, cats and ferrets **must be vaccinated** against the rabies disease. The Town Clerk cannot issue a dog license without a current rabies certificate. The rabies tag does not work as proof and the certificate cannot expire within 30 days.

PROCEDURE: When your dog reaches the age of four (4) months old, it is time to license your dog. Bring a current rabies vaccination certificate and proof of spaying or neutering of your dog to the Town Clerk's Office. If you are renewing a license, please bring in the renewal notice sent to you by the Town Clerk. Check to be sure your rabies information is current on the renewal form. If it is not, the clerk will require a new rabies certificate. Also update any personal information that may have changed like microchip number, addresses or phone number. The DCO uses this information if your dog is found. Cell numbers are preferred in case you are not at home when your dog is found.

LICENSE FEES PER DOG:

Spayed/neutered: \$14.00 plus \$1.00 NYS population control fee = **\$15.00**

Unspayed/unneutered: \$22.00 plus \$3.00 NYS population control fee = **\$25.00**

When licensing for the first time, you will be given an identification tag for your dog to wear. The number on the tag will coincide with the license number on the paper license the clerk issues. Section 118(b) of the NYS Agriculture and Markets Law **requires** that your dog wear this tag for identification purposes. Failure to do so may result in issuance of a ticket, seizure of your dog and/or fines. If your tag is lost, you may order a new tag from the Town for \$3.00.

LOCAL LAWS: Section 75 of the Town Code governs dogs. A full copy of the code is available at the Town Clerk's Office for your review. **Court fines can range from \$50 to \$1,000 and up to 15 days in jail per violation or both.** Here are some commonly used:

- 1) All dogs off the premises of the owner must be on a **leash** held by a person of sufficient strength to restrain the dog.
- 2) The premises, structures or enclosures of a dog owner shall be maintained in a clean sanitary manner.
- 3) No dog is allowed to:
 - a. Engage in habitual barking, howling, crying or wining continually for ten (10) minutes or intermittently for thirty (30) minutes.

- b. Cause damage to property
 - c. Chase or harass any person to cause intimidation
 - d. Attack or chase other domestic animals
- 4) All dog feces **must be immediately removed from streets, highways and sidewalks** by the owner of the dog.
- 5) **Report known abuse, neglect and/or abandonment issues to your local law enforcement agency or the SPCA, as these are criminal complaints which the DCO cannot enforce.**

IF YOUR DOG GETS AWAY FOR YOU: Countryside Boarding and Grooming located at 270 Queensbury Ave, Queensbury, NY provides shelter services for the town. You may contact them at (518) 793-8055 to see if your dog has been picked up by the Dog Control Officer. You can also call the Town Clerk or check on the DCO's Facebook Page at "Kingsbury/Fort Edward Dog Control". **The law states that it is the dog owner's responsibility to claim his/her dog within 3 business days.** Failure to claim your dog may result in criminal charges and/or loss of your dog. You must contact the Town Hall during normal business hours for more information on how to claim your dog.

IMPOUNDMENT FEES: If your dog is picked up by the Dog Control Officer, **Owners have 3 business days to claim their dog.** The Town Clerk **MUST** collect fees and provide a release letter before your dog can be released. So please contact them prior to going to the shelter to claim your dog.

The impoundment fees are as follows:

1st offense: \$25.00 pickup fee plus prevailing charge as per shelter contract

2nd offense: \$50.00 pickup fee plus prevailing charge as per shelter contract

3rd offense: \$75.00 pickup fee plus prevailing charge as per shelter contract

Should your dog need emergency medical attention, the Countryside VMG or Emergency Care (when CVMG is closed) will care for your dog and charge you for any additional veterinary fees over the pickup and shelter costs.

Note: Dogs that are found wearing a current Kingsbury Dog license will be returned to the owner in lieu of going to the shelter. **With the exceptions of dogs involved in other violations, repeat offenders, and if the DCO is unable to physically hand over the dog to the owner or other responsible party over the age of 18.**

DOG BITES: If you are bitten by a dog or if your dog bites any person, you are **required** to report the incident to the Washington County Public Health Nurse (746-2400). The Public Health Nurse or their ACO will give you the quarantine instructions. The Rabies Nurse will also contact the bite victim to be sure the proper medical treatment has been administered.
